In light of the SAT change, current sophomores have a 3-pronged decision regarding scheduling:

1. **Start early and finish early, targeting the *current SAT*.** A student starting now will have six available test dates to work with on the above table spanning from the May 6<sup>th</sup> SAT to the December 2<sup>nd</sup> SAT.
2. **Hold off until the SAT transitions over.** A student waiting until the SAT goes digital will also have five available test dates to work with: the 2024 exams of March, May, June, August and October.
3. **Ignore the SAT entirely and target the ACT.** The ACT will *not* change, which allows a sophomore eleven possible test dates of one consistent paper-based ACT exam according to the table below:
